

Hair Preparation Tips

24 Hours Before The Event

- Wash and dry your hair.
- If you have Mousse, Apply a little at the roots before you dry your hair for lasting volume.
- Find some inspiration photos of your hairstyle.

How To Make It Last

- If your hairstyle includes elastics or pins we will send you with some extra ones, just in case!
- We also carry travel hairsprays for purchase if needed.
- Other items to consider in your emergency kit would be a small brush, dry shampoo (if it's humid), and a tail comb.

On The Day-Of Event

- Wear a loose fitting top or button down to be able to remove easily.
- Arrive 10 minutes before your scheduled service time.
- Bring any accessories or flowers you may wish to use in your hair.
